

BUILT TO LAST, IN AMERICA

StarBoard® Color Chart

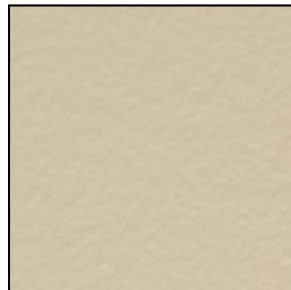

StarBoard® is the original marine grade high-density polyethylene building sheet that won't rot, swell, or delaminate when exposed to humidity or water. Willoughby employs StarBoard® in products that require superior durability and moisture resistance, including our behavioral healthcare lavatories, bariatric lavatories, patient wash station, and patient care units.

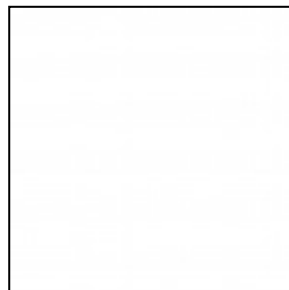

Arctic White

Seafoam

Sansshade

White/White

Note: Swatch colors may differ from actual colors. Contact your rep for samples.
StarBoard® is a registered trademark of the King Plastic Company.
