

BUILT TO LAST, IN AMERICA

DB and HB SERIES

Dialysis & Hose Boxes

▲ DB SERIES RECESSED DIALYSIS BOX

HB SERIES RECESSED HOSE BOX ▼

All-stainless steel construction

Constructed of satin-finished Type 316 (DB) or Type 304 (HB) stainless steel and wall flanges and doors constructed of Type 304 stainless steel means our products will last.

Configurable choices

With a total of sixteen configurations, we have a dialysis or hose box for you. Because each box is built to order, we can customize the box to your specific need.

Flexible solution

The perfect solution installation in hospitals, clinics, or schools where cost and reliability are paramount.
