WILLOUGHBY PRODUCTS ARE PROUDLY MADE IN AMERICA

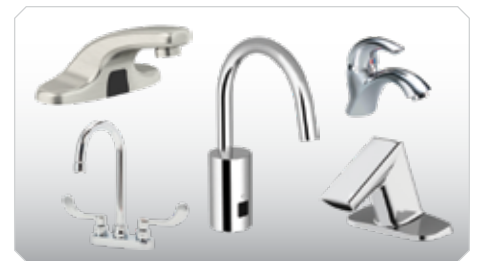

### SOLID SURFACE DESIGN

Each fixture is cast from AquaSurf® and, to eliminate unsightly seams and joints, the deck and backplash are cast as one unit.

### STAINLESS STEEL ACCENTS

While the fixtures are solid surface, the drain grate and bottom enclosure are fabricated from heavy-gauge stainless steel.

### EXTREMELY FLEXIBLE

With the ability to accommodate almost any deck faucet, Envy is the perfect solution for any public or dormitory restroom.
