AQUASURF®

SOLID SURFACE SHAMPOO BOWLS

Willoughby shampoo bowls are made from Aquasurf solid surface cast polymer material. Stylish and durable, these bowls provide the beauty of granite with a non-porous surface resistant to stains, burns, and impact. Aquasurf solid surface shampoo bowls are the perfect solution for salons, assisted living facilities, and barber shops that desire superior comfort and functionality at an affordable price. A

full complement of faucets and accessories are available as optional features.
