

BUILT TO LAST, IN AMERICA

Aquasurf® Solid Surface Shower Bases

Stylish and durable, our shower bases provide the beauty of granite with a non-porous surface resistant to stains, burns, and impact. Aquasurf® shower bases are the perfect solutions for healthcare environments where superior functionality meets an affordable price. Zero transition, ADA shower pans are also available.

AS-S3636ADA SHOWER PAN ▲
WITH REAR INTEGRAL TRENCH DRAIN

Textured anti-slip surface

Each shower base is cast from colored cast polymer densified material with a textured surface to minimize slippage.

Stainless steel trench cover

Available ADA roll-in shower receptor with integral trench is crafted from heavy gauge type 304 stainless steel.

Solid surface wall kit

Wall panel kit is comprised of the same non-porous solid surface material as the shower base for easy sanitary maintenance.
