

BUILT TO LAST, IN AMERICA

WILLOUGHBY LRBHL-2320

Ligature-Resistant Lavatory

Fashioned from seamless Aquasurf® solid surface material and type 304 stainless steel for durability, this wall-mounted lavatory is specifically designed to reduce ligature points for behavioral healthcare environments.

▲ Dual temperature pneumatic push button version shown.

Stainless steel drain enclosure

The 2320 series features a fully-enclosed, type 304 stainless steel drain trap enclosure.

Machined stainless steel components

Willoughby's high-quality, long-lasting components are **not** chrome plated brass.

Aquasurf® durability

Our sanitary solid surface lavatory is cast as a one-piece fixture that is easily cleaned, maintained, and repaired.
