

BUILT TO LAST, IN AMERICA

WILLOUGHBY WBF-1 SM SERIES

Surface-Mounted Heavy-Duty Bottle Filler

The Willoughby quick-fill indoor bottle filler provides convenience and helps to reduce the waste from plastic water bottles in institutional and behavioral areas where vandalism or aggressive use is a concern.

Built to Last

Solid, one-piece, fully-welded Type 304 stainless steel is extremely durable and vandal resistant. Access panel is held in place with stainless steel security screws.

Simple Operation

Recessed, vandal-resistant push button is easy and intuitive to operate and requires less than 5 lbs. of force.

Quick Fill

Solid stainless steel anti-rotation bubbler and quick 1-gallon-per-minute fill rate means water bottles get filled fast and less waste is generated.
