

BUILT TO LAST, IN AMERICA

WILLOUGHBY 3123 SERIES

# Bariatric Lavatory

Designed specifically for bariatric patients in healthcare environments.

Finally, an aesthetically pleasing lavatory that is consistent with FGI's *Guidelines for Design of Construction of Health Care Facilities* and provides a **1,000 lb. weight rating** to properly serve bariatric patients.

### Floor-mounted pedestal

Constructed of welded Type 304 stainless steel with eight decorative overlay choices.

### Faucet choices

Choose either wrist handle or infrared operation.

### Aquasurf® durability

Our sanitary solid surface lavatory is cast as a one-piece fixture that is easily cleaned, maintained, and repaired.
