

STAINLESS STEEL LAVATORY DECKS & WASHFOUNTAINS

Willoughby lavatory decks and washfountains are the perfect solution when multiple people need to wash their hands at once, such as in schools, stadiums, racetracks, or other commercial building restrooms. Constructed from heavy-duty stainless steel, they are stylish and durable, with a full complement of optional features to accommodate your specific needs.

Vandal-resistant fixtures

Floor- and wall-mounted

12-gauge lavatory bowls²

WILLOUGHBY PRODUCTS ARE PROUDLY MADE IN AMERICA

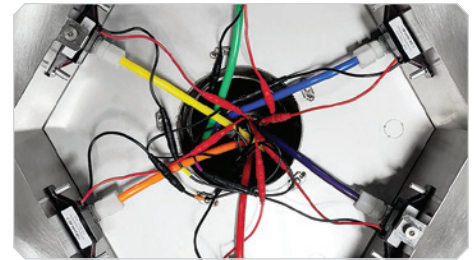

MANUFACTURED TO LAST

While chrome-plated brass degrades over time, our in-house machining centers allow us to utilize the more durable stainless steel.

MULTIPLE CONFIGURATIONS

With a variety of valve assemblies, mounting options, and accessories available, our fixtures are flexible enough to meet your needs.

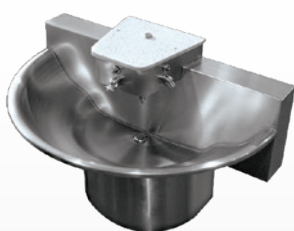

CUSTOMER-FOCUSED DESIGN

Every wash fountain utilizes color-coded tubing for the internal water lines and actuators to ease installation or repairs.
