

# STAINLESS STEEL SHOWER SYSTEMS

Willoughby showers are ideal for schools, health clubs, locker rooms, campgrounds, or any other public shower facility. Constructed from heavy-duty stainless steel, they are vandal-resistant, stylish, and durable for those who desire superior functionality at an affordable price.

Vandal-resistant fixtures

Single- and multi-user

Optional powder coating<sup>1</sup>

WILLOUGHBY PRODUCTS ARE PROUDLY MADE IN AMERICA

## MANUFACTURED TO LAST

While chrome-plated brass degrades over time, our in-house machining centers allow us to utilize the more durable stainless steel.

## ULTIMATE FLEXIBILITY

With an abundance of showerheads, valve assemblies, and other options available, our shower systems can meet your needs.

## DESIGNED FOR COMPLIANCE<sup>2</sup>

When mounted at the appropriate height and with the proper options, several showers are handicap accessible or ADA-compliant.
