

STAINLESS STEEL SHOWER SYSTEMS

Willoughby showers are ideal for schools, health clubs, locker rooms, campgrounds, or any other public shower facility. Constructed from heavy-duty stainless steel, they are vandal-resistant, stylish, and durable for those who desire superior functionality at an affordable price.

Vandal-resistant fixtures

Single- and multi-user

Optional powder coating¹

WILLOUGHBY PRODUCTS ARE PROUDLY MADE IN AMERICA

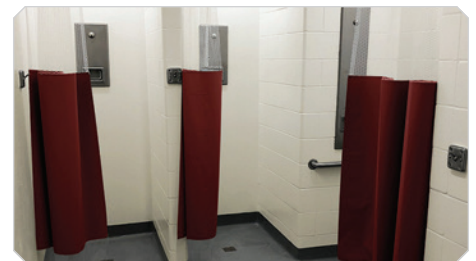

MANUFACTURED TO LAST

While chrome-plated brass degrades over time, our in-house machining centers allow us to utilize the more durable stainless steel.

ULTIMATE FLEXIBILITY

With an abundance of showerheads, valve assemblies, and other options available, our shower systems can meet your needs.

DESIGNED FOR COMPLIANCE²

When mounted at the appropriate height and with the proper options, several showers are handicap accessible or ADA-compliant.
